## **INFORMATION FOR OFFICERS, BUSINESS DELEGATES, AND MUSIC DELEGATES**

Because the fraternity is limited by the contributions made by the conference investment fund, restrictions in lodging and transportation reimbursement are listed below. Because travel and other expenses have greatly increased, each official attendee is requested to practice the greatest economy. All official personnel are expected to travel in the most economical manner commensurate with good reason.

### **TRANSPORTATION**

- a. Round-trip transportation will be paid from each person's home address or summer address, whichever is closer to Norfolk, Virginia.
- b. **This expense will be allowed on the basis of actual cost for commercial travel up to a total of \$300. Travel expenses over \$300 will not be reimbursed.** Delegates must submit vouchers, stubs, tickets, etc., for each expense for which reimbursement is expected. There will be no reimbursement for baggage.
- c. If traveling by automobile, the delegate shall be reimbursed at the rate of 25 cents per mile, plus any toll or parking fees charges. The fraternity will not reimburse for a rental car. **If you live within a 400-mile radius of the Conference site you are expected to travel by car. If you live within that radius and you use another form of transportation, you will be reimbursed only up to the amount you would have been reimbursed to drive.** If this is a problem please contact the Executive Office by June 1, 2022.

- d. Delegates and officers who plan to drive are encouraged to bring other delegates and members with them. Mileage will be reimbursed for the driver at a rate of 25 cents per mile plus tolls and parking fees (at the hotel) if receipts are kept.
- e. **Tickets purchased after June 1st will not be approved for reimbursement.** Delegates are encouraged to research the most cost effective means of travel. If assistance is needed please contact the executive office.
- f. The hotel does not have a shuttle from the airport. Delegates are responsible for arrangement and payment of their expenses between the hotel and airport. These fees will only be reimbursed if you have not exceeded your \$300 air travel limit. A receipt must be printed and provided for reimbursement.
- g. Whether traveling by commercial or personal means, a delegate or music representative may request assistance from the executive office or an advance from their chapter. This request must be made no later than June 1st. Persons receiving travel advances from chapters who fail to attend conference are expected to reimburse the Fraternity by August 1, 2022.

## ROOM ACCOMMODATIONS

Lodging will be paid for official personnel from the conference fund for Wednesday, Thursday and Friday nights (July 27 through 29). While the hotel conference rate is available before and after the conference, any lodging reserved before and after the dates indicated above will not be reimbursed and will be the responsibility of official personnel.

**MEMBER LODGING RESERVATION: All official personnel, delegates, and visiting members are expected to stay in the arranged Waterside Marriott Hotel. Hotel reservations are made through the executive office.** The hotel has reserved a block of rooms for the official delegation. Members should NOT make reservations directly with the hotel. The reservation form provides an opportunity for delegates to make specific lodging requests.

Lodging for all members will be in groups of 2 persons per room with two double beds per room. Other arrangements are available, please contact the executive office. Alumni delegates wishing to stay with spouses will have to pay the fraternity the difference between the requested room rate and the fraternity lodging stipend.

**NON-MEMBER LODGING RESERVATION:** Non-members will be totally responsible for the cost of any lodging. The hotel conference room rate is \$169 per day plus tax. If the visiting non-member is rooming with a member, please contact the executive office. All other non-member lodging reservations should be made directly with the hotel via link on the Delta Omicron website or by calling and asking for the Delta Omicron block.
